Any entertainment booked and then cancelled will be subject to a cancellation charge of 100%. We reserve the right to cancel if these terms are not adhered to.

Control of Vessel

The Captain is in sole command of the vessel at all times. Should it be necessary to vary the scheduled cruise due to adverse weather/navigation conditions or any other circumstances his decision will be final. Passengers must obey his instructions at all times.

Drinks are available on board at competitive prices. Food and drink may be brought on board by passengers but this **must** be arranged prior to the cruise with the management. It is the responsibility of the hirer/group organiser to ensure that his/her party are made aware of this condition. The bar will open as soon as the vessel leaves Gloucester Docks. For safety reasons, we ask that passengers do not wear stiletto heels.

Authorised Passengers

The hire period, times, dates etc must be agreed with Gloucester Leisure Cruises and stated on the booking form. Any extension of the cruise will be surcharged if the extension is at the request or fault of the hirer. Parties should be at the pick up point 15 minutes before the stated departure time.

Important

The Department of Transport has recently imposed higher safety standards on passengers and as a result of this we stress that passengers will not be admitted on board if their behaviour is seen as likely to cause a disturbance. Any person considered to be jeopardising the safety of other passengers will immediately be put ashore. The party organiser will be responsible for the behaviour of their party and it is the hirer's duty to acquaint each member of his/her party of the fact.

For your safety; obey all instructions given by the crew; do not board/disembark before the Captain gives his permission; do not run on board; wear sensible footwear (the boat has steps and wooden decks); bring extra clothing as temperatures are lower on the water.
